Adults who stutter

Or whose voice is letting them down.

Adults who use AAC

A device, signs or pictures to communicate.

— Where and how do sessions happen?

Where life happens

At home, at work, in the community, or in the clinic. Online anywhere in Australia, with no waiting room.

Goals in your words

About your week, not a textbook.

— When do Fiona's books open?

Fiona Wright's books open **Tuesday 10 November 2026**

Fiona Wright, speech pathologist, works Tuesday to Thursday. Our speech team has room now.

What does it cost and who pays? NDIS funding may cover speech pathology where it aligns with the participant's goals and approved plan. Not all NDIS plans include speech pathology supports. **Plan-managed and self-managed plans.** We are not NDIS-registered. \$193.99 an hour, the NDIS price limit. Check your plan, take your time, and talk it over with your Support Coordinator or someone you trust.

— How do I start?

- 1 Enquire on the page below, or scan the code. Liz, our NDIS specialist, calls you within one business day. Email or text her if you would rather not talk on the phone.
- 2 If we are the right fit, we match you with the best-suited clinician. If not, we point you to someone who is. Nothing is booked until you say so.
